DISCOVER OUR PASSION FOR INSTALLING AND MANAGING SPORTSFIELDS

SPORTS FIELD STRIPPING

GHG has a vast knowledge of sports field preparation choices. Greenhorizons can recommend which option is best for your field and situation.

Options include:

- Stripping
- Reverse Roto-Tilling and Burying
- Aggressive Fraze Mowing
- Plus More.

GRADING AND LASER GRADING

Fine grading is available to eliminate wear areas (bird baths) at goal mouths and center field, laser grading is available to make your pitch as smooth as a billiard table.

IMPORT GROWING MEDIUMS

Greenhorizons can recommend various growing medium options for your unique situation from:

- Sandy Loam Topsoil • Engineered Sand
- Organic Soil or Compost for Incorporating into Your Existing Soil.

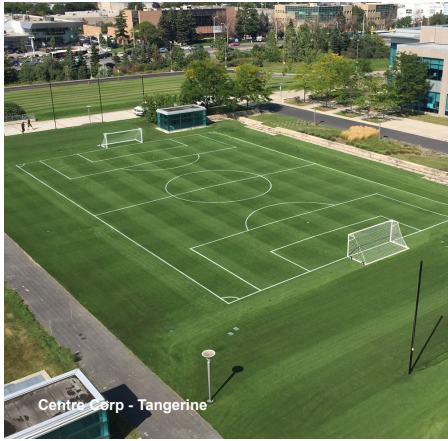

INSTALLATION SERVICES

GHG installation services bring experience and professionalism to every job. Large roll format can be requested for quick establishment and less seams. Small roll format is ideal for jobs less than 30,000 square feet.
