

# Infrastructure

## *Sod Specialists*

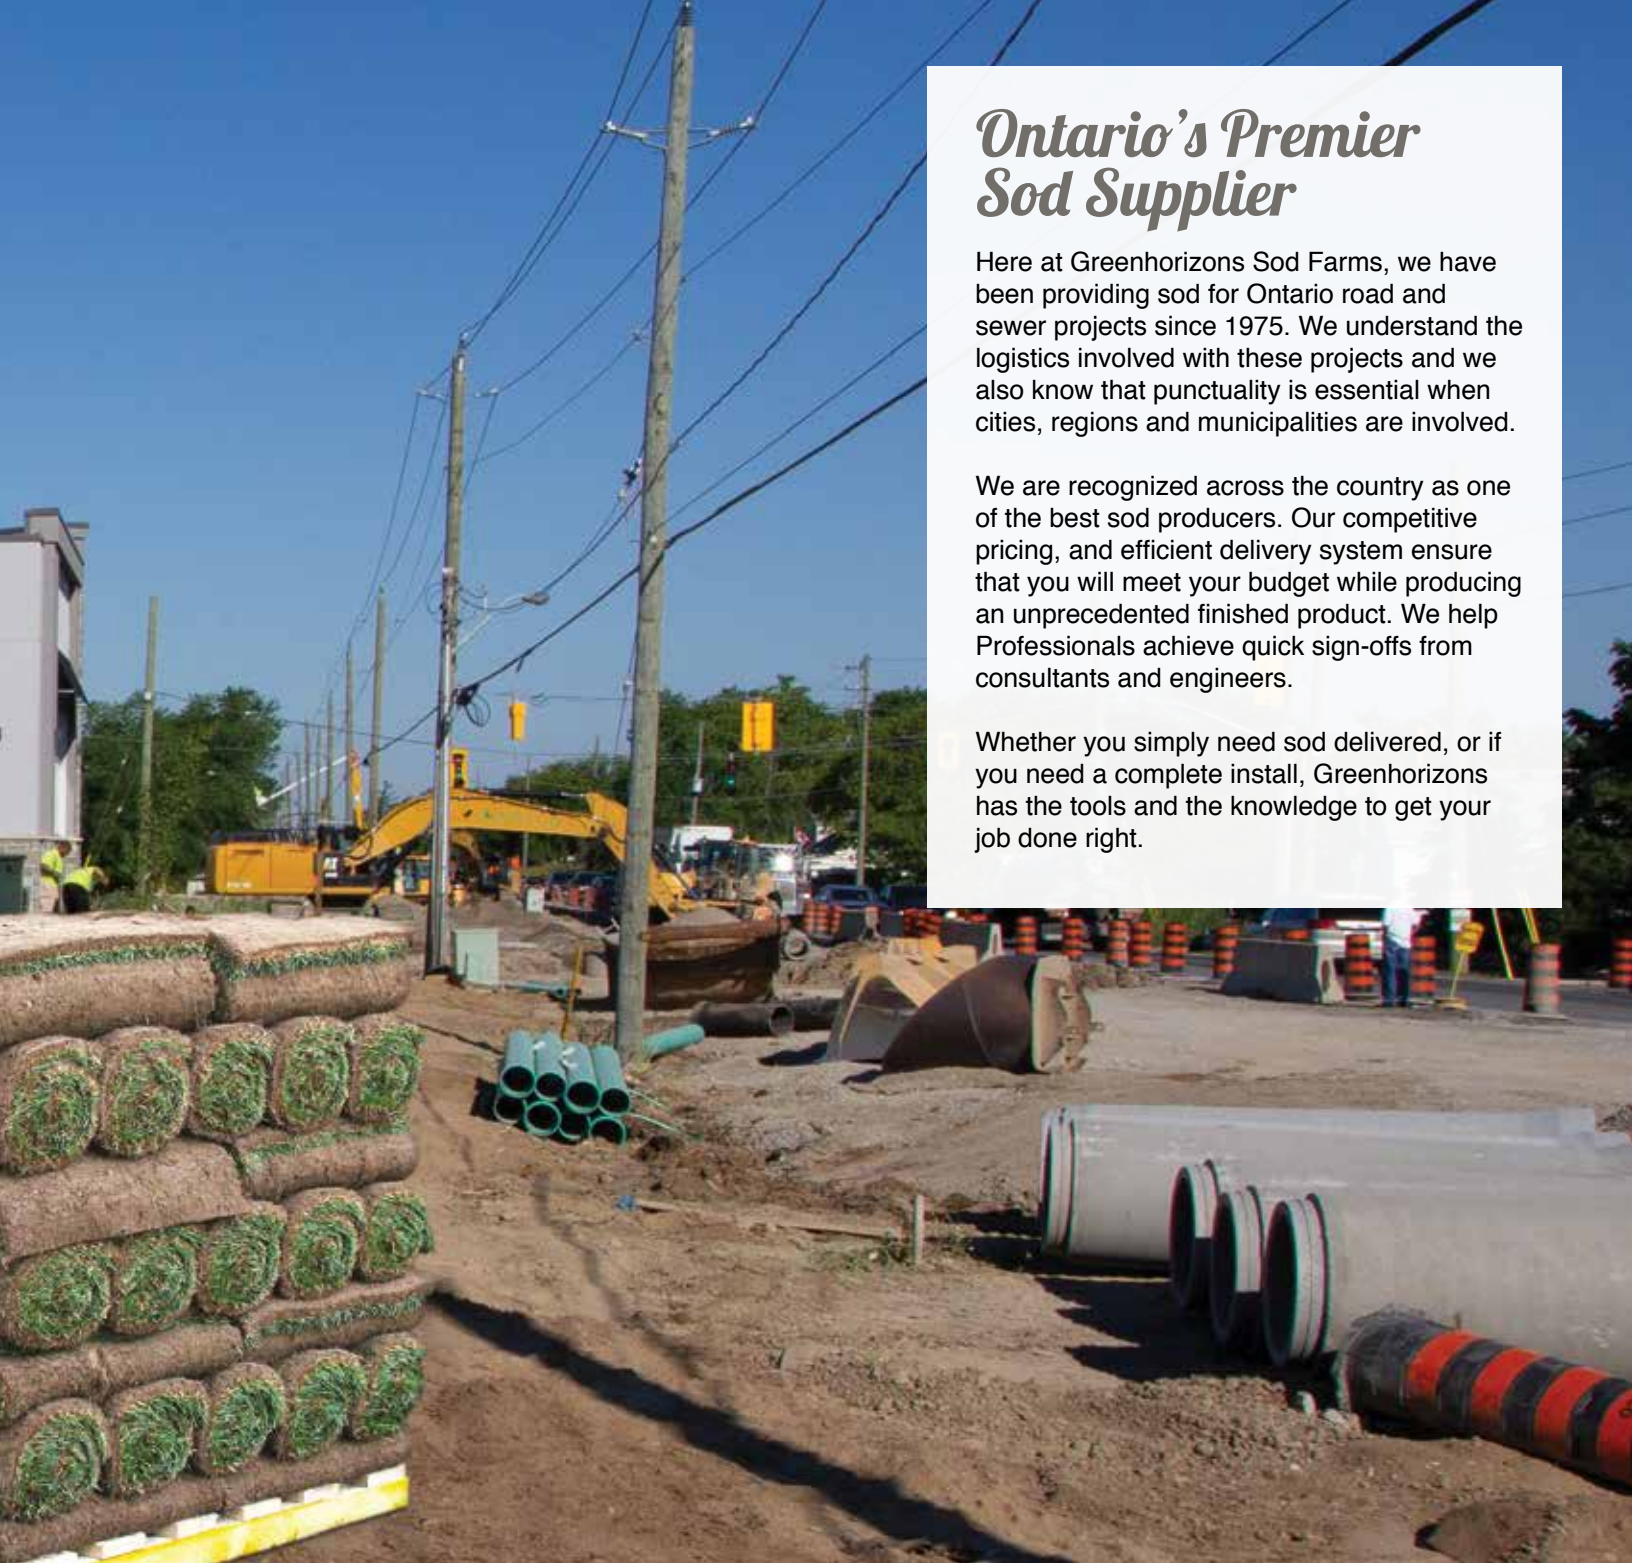

## *Ontario's Premier Sod Supplier*

Here at Greenhorizons Sod Farms, we have been providing sod for Ontario road and sewer projects since 1975. We understand the logistics involved with these projects and we also know that punctuality is essential when cities, regions and municipalities are involved.

We are recognized across the country as one of the best sod producers. Our competitive pricing, and efficient delivery system ensure that you will meet your budget while producing an unprecedented finished product. We help Professionals achieve quick sign-offs from consultants and engineers.

Whether you simply need sod delivered, or if you need a complete install, Greenhorizons has the tools and the knowledge to get your job done right.

## *Finish Your Job with Sod and Get Approved Fast*

When a Project Manager is awarded an infrastructure project, we know the stakes are high. Not only does it take a ton of resources to complete these large jobs, but with the way word travels nowadays, your reputation depends on the job going smoothly... Timely project completion and site sign-off is essential to maintain valuable relationships with architects, consultants, and engineers.

We also know that the faster your project is approved, the faster you get paid. Greenhorizons will work closely with project managers and contractors to ensure that your job gets completed, approved, and you get a cheque in hand.

## *A Passion for Farming and People*

Greenhorizons Sod Farms is a Family owned and operated company.  
We live and operate on a very simple principle;  
**Make people happy! ☺**

Our passion for farming has allowed us to positively affect the individuals surrounding our company, whether it be our team members or our customers. We are incredibly lucky to house so many like minded individuals with the same common goal. Greenhorizons is truly the by product of when a family's passion, business and hobbies align.
