

GREENHORIZONS PRODUCT DATA SHEET

CAMEL GRASS

Greenhorizons Camel Grass is established using our Leading Edge Turfgrass Technology. It is a **blend of 100% WaterStar Approved Kentucky Bluegrass cultivars** selected through years of research evaluated by *National Turfgrass Evaluation Program (NTEP)* and the *Turfgrass Water Conservation Alliance (TWCA)*. We conduct plenty of our own research and testing to choose the most drought tolerant varieties of *Kentucky Bluegrass* for the Southern Ontario climate.

DESCRIPTION

- TWCA Approved Kentucky Bluegrass
- Medium-Coarse grass blades
- Dense turf stand
- Dark green colour
- Rhizomatous - self repairing
